

Minata beach

The beach where you can see a small island in front of you.

Address : 783 Furusato Yoron-cho

MOVIE's URL⇒<https://youtu.be/VTstDw1bv04>

Minata-Banare is a small and offshore island. You can walk across it at low tide. And it is highly transparent and blue in color. This is a coast where marine sports are popular like kayaking and snorkeling.
