

Oganeku beach

Oganeku is the biggest and widest beach in Yoron Island with an area of almost 2km.

Address : Furusato Yoron-cho

The shallow beach shoreline is almost 2 km. long. If you are lucky, you can witness the exotic and pristine view of the emerald green spread just in front of you. Excellent marine service includes top of the line shower, comfort rooms and a wide variety of restaurant is available for your convenience while having your perfect vacation. It is all part of the camp site. Even street stalls are substantially installed. You can even go to Yurigahama and snorkle while your in a glass-bottom boat and marine jet. During summer time (June-September) glass-bottom staff are available for your needs.
