

Yurigahama

☆Superb Landscape! Miracle White Beach “Yurigahama”

“Yurigahama” is located in 1.5km off Ooganeku beach. The white beach appears in the sea only during low tide in the spring tide or middle tide from spring to summer. It shines brightly in the sun, and its pure white beach and the emerald sea is just like a paradise. It is said that if you collect “Hoshinosuna” (unique sand shaping like a star) as much as your age, you will be happy.
